Champagne

Beaumont des Crayères

Based in Epernay and founded in 1955, Beaumont des Crayères is a small champagne house with around 80 hectares under vine. The style of this champagne house is to consistently produce elegant, very well made champagnes which are well rounded in character, helped by a high percentage of Pinot Meunier in the blend and good bottle ageing.

The champagnes have enjoyed much critical acclaim and won many awards. The Grande Réserve is made from a blend of 60% Pinot Meunier, 25% Chardonnay and 15% Pinot Noir, with a high proportion of 40% reserve wine added to the blend. The Grande Réserve Brut NV is arguably one of the best value for money champagnes in the UK. The Rosé has a higher proportion of Pinot Noir in the blend and is simply delicious. The Fleur de Prestige Vintage is richer and more biscuity in style than the Grande Réserve, and offers the opportunity of a vintage champagne at non vintage prices. New to the range is the Blanc de Noirs vintage cuvée. Made exclusively from Pinot Noir this is a rich full bodied champagne. The pinnacle of the range is the Nostalgie Vintage, which is full bodied and rich in style, being made from a blend of 30% Pinot Noir and 70% Chardonnay. Also new to the range is the Grand Nectar, a demi sec champagne which is a great match for light desserts, fruits, pastries and biscuits.
